

CIFA - CERTIFICATE IN FINANCE & ACCOUNTING

SELF-PACED ONLINE
CONVENIENT AND
COST-EFFECTIVE

FAST TRACK YOUR CAREER

A working knowledge of finance and accounting principles and processes is essential for everyone, regardless of their professional background. CIFA curriculum has been designed for the non-financial professionals who interact and are involved with financial and accounting processes, for example, people working in supply chain management, project management, manufacturing, and other areas.

CIFA training helps align with, and achieve strategic financial objectives.
